**Public funds are not the same as public deposits. Public funds include public deposits, inter-corporate deposits, bank finance and all funds received whether directly or indirectly from outside sources such as funds raised by issue of Commercial Papers, debentures etc.*

***Total liabilities excludes Share Capital and Reserve & Surplus.*

Note-The above mentioned details are based on the provisional financial statement as on March 31, 2023.

6. Institutional set-up for liquidity risk management

- The Company is pro-active in managing liquidity risk with 6 months taken as buffer for all repayments as per our liquidity risk management policy.
- The company is diligent in managing the Asset Liquidity Management and the mis-matches are kept in check at all times.
- This is reflected in the ALM reported to RBI previously which shows there is no negative mismatch in any duration bucket.
- The positive mismatches are not significant showing the Company is efficient with their Liquidity Planning.
